Dedication

We, the Annual Staff of 1968, dedicate this yearbook to Mr. George L. Morris for the help and guidance he gave us during the time he was superintendent of the Filley School system. Mr. Morris came to Filley in the fall of 1967 and served us well in the short time he was here. Although here only a few months, he was liked and respected by all of us who had the opportunity and privilege of knowing him.

Senior Class Prophecy

We, June Ideus and Judy Fritzen, as Air Line Stewardesses, have made many trips around the world. During our travels, we have had the opportunity to see our classmates in the year 1978.

Our first encounter with some former classmates was on a flight to Daytona Beach, Florida. Here we met Vicki Parde and Dennis Busboom who had just married and were on their honeymoon. Dennis was also planning to participate in the Daytona 500 Stock Car Races.

While in Florida, we found JoAnn Stevens making the local beach scene and flirting with the lifeguard, Gary Jurgens. Also on the beach, we discovered Robert Lieneman selling refreshments to the other beach combers.

A later flight took us to Washington, D. C. where Arnold Oltmans was being inaugurated as President. It seems as though the Greenhand party finally picked a winner, and we always knew that Arnold would make it big. The new first lady is Eunice Kenyon.

On one of our stops in New York, we had a chance to talk with Charlotte Mencl who has become famous as the first woman to graduate from West Point. She now plans to join the aero-space team and become the first lady astronaut from the U. S. Larry Alm hopes to go along as one of her teammates. It seems that he finally got his car to fly.

During a stop in France we decided to have our hair styled in one of Paris's famous beauty salons. We were delighted to learn that Carol Meints was the head beautician. Her current project was styling a toupee for Donald Schuster. What ever happened to those curly locks he had in school!

Also in France, we came upon Verlyn Schoen who has captured the Wooly Market by producing some of the best furs and selling them to the famous Paris designers.

While in Europe our plane developed engine trouble, and who should we discover helping us! You guessed it—the great mechanics, Bruce Bowers and Mike Hutchinson. Shop must have benefited them somehow other just as an excuse to get out of study hall.

Once again back in the States, we got a sudden urge to attend a basketball game. Remaining loyal to our home state, we decided to attend the University of Nebraska's game. Half way through the game we noticed Tom Young and Kenny Ideus sitting on the bench for Nebraska. No, they weren't players but the coaches. We knew they'd have a winning team some day!

A trip through the Filley area gave us a chance to look in on the farmers of our class. Alan Schuster and Duane Jurgens have formed a corporation and now own half of the land in Gage County. Frequent trips, reminiscing old times, are still made to Kansas though.

In Lincoln, we visited Adonna Ideus and Nancy Kelle. They are happily married and share a duplex which they have filled with the sounds of little pattering feet.

Going on to Omaha, we ran into Barbara Carpenter, Kay Hendricksen, and Nancy Cox. This was quite by accident for we did not plan to meet them head on. We were able to recognize them at once though, because of Barb's little red pick-up up. Later, while in the hospital we were discussing our present lives and occupations. Barb has recently replaced J. Edgar Hoover as the Director of the Federal Bureau of Investigation; Kay is the Dean of Women at Nebraska Wesleyan University; and Nancy is the Secretary of Health, Education, and Welfare. While in the hospital another old classmate, Jim Weyers, dropped in on us. It seems he is now an intern working to become a full fledged obstetrician. We also managed to come upon news of Jim Trauernicht. While reading the newspaper, we found his name on the front page in a title reading, JIM TRAUERNICHT APPOINTED TO CHIEF OF NAVAL OPERATIONS. Navy life must be pretty good, huh Jim.

Well, its off into the wild blue yonder for us, but it certainly has been fun visiting with all our old classmates.

The Parliamentary Procedure Team won a blue ribbon in the District Contest

The FFA year started when two teams from our chapter placed in the top five at the district contest at Superior. The team of Don Schuster, Ron Parde, Duane Jurgens and Bruce Bowers attended the state contest but did not place. The next big event was the District I FFA contest at Syracuse where Arnold Oltmans placed first in the public speaking contest and the procedure team and creed speaker, Dave Norton, got blue ribbons.

Highlight of the year was the state contest where the Filley chapter was named one of the top 12 chapters in the state. Four of our membres, Tom Young, Mike Hutchinson, Arnold Oltmans and Dennis Meints were awarded the state farmer degree. Arnold was elected to the State Office of Southeast Area Chairman at this time.

Judy Fritzen and Alan Schuster were FFA Royalty.
